DEF. DEFINITIONS

“Agreement” or “ICA” — This Independent Contractor Agreement, including all Incorporated Documents.

“Associate” — The real estate licensee who executes this Agreement.

“Broker” or “Company” — Aari Realty LLC, a Florida limited liability company.

“Business Day” — Any day other than Saturday, Sunday, or a federal holiday observed by the Company.

“Incorporated Documents” — All documents referenced in Section 18 and incorporated by reference into this Agreement, including the Commission Structure Addendum, Exhibit A, Operations & Compliance Manual, and all policies and addenda.

It is the Associate’s sole responsibility to monitor all designated communication channels.

“Immediately” — Within twenty-four (24) hours of discovery unless a shorter timeframe is specified elsewhere in this Agreement.

1. Independent Contractor Relationship

The Associate is engaged as an independent contractor, not an employee. The Broker will not withhold taxes, provide employee benefits, or control the Associate's daily work schedule. The Associate is solely responsible for tax filings, business expenses, professional tools, transportation, and maintaining required insurance. The Associate must complete a W-9 form and will receive a 1099-NEC for tax purposes.

No Authority to Bind

The Associate has no authority to bind the Company, enter contracts, or incur obligations on the Company's behalf without a specific written Power of Attorney executed by the Broker for each transaction.

2. Exclusive Brokerage Affiliation

The Associate affirms they are not licensed with or actively affiliated with any other real estate brokerage or conducting brokerage activity outside of Aari Realty LLC. Limited outside affiliations (such as referral-only licenses in other states) require prior written approval from the Broker and must comply with Florida law. Engaging in unapproved brokerage activity constitutes immediate termination for cause and may result in forfeiture of pending commissions until compliance is verified.

3. Associate Responsibilities

Licensure

The Associate must maintain an active, current Florida real estate license at all times during the term of this Agreement.

Compliance with Laws and Rules

The Associate shall comply with all applicable federal, state, and local laws, rules, and regulations governing real estate practice in Florida.

Incorporated Documents

The Associate shall comply with all policies, procedures, and standards set forth in the Incorporated Documents listed in this Agreement.

Cybersecurity & Data Breach Reporting

The Associate must report any known or suspected data breach, unauthorized access, or cybersecurity incident to the Broker within four (4) hours of discovery.

Wire Safety

The Associate shall never transmit wire instructions via email or text message. Violation of this policy constitutes grounds for immediate termination.

Escrow Handling

The Associate shall not maintain or operate any escrow accounts. All escrow deposits must be handled in accordance with Company policy and Florida law.

MLS Compliance / Clear Cooperation

The Associate must enter all listings into the MLS within twenty-four (24) hours as required by MLS rules and the Clear Cooperation Policy.

Social Media & Advertising

All advertising and social media content related to real estate must receive prior Broker approval before publication or distribution.

TCPA Compliance

The Associate must comply with the Telephone Consumer Protection Act (TCPA) and all related federal and state telemarketing regulations.

Transaction Coordination

File organization is provided through Aari Transactions LLC, an affiliated entity. Associates may elect full TC services for an additional fee. Associate remains fully responsible for their transactions.

4. Fair Housing Compliance

The Associate must comply with the Fair Housing Policy incorporated into this Agreement. Discriminatory practices of any kind are strictly prohibited. Violations may result in immediate termination and reporting to the Florida Real Estate Commission (FREC).

5. Confidentiality

Definition

Confidential Information includes all non-public information obtained during the Associate's affiliation with the Company, including but not limited to client data, business strategies, proprietary systems, and financial information.

Use Restriction

The Associate shall not copy, disclose, or distribute any Confidential Information to any third party without the prior written consent of the Broker.

Post-Termination Restrictions

Upon termination of this Agreement, the Associate shall immediately cease all use of Confidential Information, return all Company property within five (5) days, and certify the deletion of all electronic copies of Confidential Information.

Survival

Confidentiality obligations survive termination of this Agreement indefinitely with respect to trade secrets, and for a reasonable period for all other Confidential Information.

6. Errors & Omissions (E&O) Insurance

The Broker maintains an Errors & Omissions insurance policy covering the brokerage. The Associate is included under this policy at no upfront cost. The Associate agrees to pay the applicable deductible for any claim arising from the Associate's own conduct. The Associate must report any potential claim to the Broker within twenty-four (24) hours of becoming aware of the circumstances giving rise to such claim.

7. Compensation

Commission Basis

The Associate's compensation shall be on a commission basis as set forth in the Commission Structure Addendum (CSA). The Associate shall receive no salary, draw, or guaranteed minimum compensation.

Conditions Precedent

Payment of commission is subject to the following conditions precedent: the transaction file is complete, the Broker has granted approval, funds have cleared, and the Associate is in Good Standing.

Cleared Funds

Wire transfers are considered cleared the same or next business day. Checks require three (3) to ten (10) business days to clear. Commission disbursement will occur within three (3) business days after all conditions precedent are satisfied.

Broker Authorization

The Broker has five (5) business days to grant or deny file approval. If approval is denied, the Associate has a three (3) day cure period to correct deficiencies.

Good Standing

Good Standing requires an active license, all fees paid, no suspension or disciplinary action, and all transaction files submitted in accordance with Company policy.

Post-Termination Compensation Floor

After termination, the Associate shall receive a minimum of fifty percent (50%) of the net commission on any pending transaction that closes, provided the Associate's file is complete and compliant.

Personal Transactions

The Associate must obtain prior Broker approval before engaging in any personal real estate transaction.

Overpayments & Deductions

Any overpayment must be repaid within five (5) days of notification. The Company may offset future commissions, up to a maximum of fifty percent (50%) per disbursement, without the Associate's prior consent.

8. Transaction Compliance

The Associate must comply with the Operations & Compliance Manual for all transactions. No commission shall be paid until the transaction file has been reviewed and approved by the Broker. Compliance with the Manual is a condition precedent to the payment of any compensation.

9. Client Ownership

Personally Generated Clients

Clients personally generated by the Associate through the Associate's own efforts, relationships, and marketing are considered the Associate's property, subject to exclusions defined in this Agreement.

Company-Generated Leads

Determined by the Broker based on source documentation, timestamp of first contact, and inquiry method used.

Lead Classification Appeal

The Associate may appeal a lead classification determination in writing within seven (7) calendar days. The Broker shall respond to the appeal within ten (10) business days.

10. Referral & Co-Agent Commission Disputes

The Company shall not be responsible for referral or co-agent commission disputes unless the referral or co-agent agreement is in writing, signed by all parties, and approved by the Broker. All disputes shall be resolved through MLS arbitration and NAR dispute resolution procedures. The Company may withhold disputed commission amounts pending resolution.

11. Indemnification

For indemnification, defense, and offsets, see the Indemnification, Defense, and Offsets Addendum, which is incorporated by reference and controls this topic. Broker may exercise withholding and offsets consistent with that Addendum and the Operations & Compliance Manual.

12. Term & Termination

Term

This Agreement is effective for one (1) year and shall automatically renew annually unless terminated in accordance with this Section.

Termination At-Will

Either party may terminate this Agreement at any time, with or without cause, upon written notice. Termination is effective immediately upon delivery of notice. Termination shall not affect the Broker's right to collect any earned but unpaid fees, commissions, or other amounts due.

13. Post-Termination Obligations

Upon termination, the Associate must: return all Company property, signage, and records within five (5) calendar days; cease all use of Company logos, branding, templates, and platforms; complete all outstanding compliance file requirements; reconcile commissions in accordance with the CSA; and update all online profiles within five (5) calendar days to remove Company affiliation.

The Associate may continue working only with personally generated clients. The Associate has no rights to Company-generated leads, referrals, relocation clients, or advertising-sourced prospects after termination.

14. Non-Solicitation

During affiliation and for twelve (12) months after termination, the Associate shall not directly or indirectly solicit or recruit Aari Realty Associates, staff, or contractors to leave the Company. For purposes of this section, solicitation means direct, targeted outreach to specific identified individuals and does not include general public advertising or marketing.

15. Dispute Resolution

Internal Commission Disputes

Any dispute between Associates regarding the division of commissions shall be governed exclusively by the CSA. Disputes must be submitted in writing to the Broker, whose written determination shall be rendered within ten (10) calendar days.

Company vs. Associate Disputes

All other disputes shall proceed as follows: (1) Mediation First — good-faith mediation in Lee County, Florida; (2) Arbitration — if mediation fails, binding arbitration before a single arbitrator in Lee County, Florida, under the Florida Arbitration Code; (3) Attorneys' Fees — the prevailing party shall recover reasonable attorneys' fees and costs; (4) Jury Trial Waiver — both parties knowingly waive any right to a jury trial.

16. Governing Law

This Agreement shall be governed by and construed under the laws of the State of Florida, without regard to conflicts of law principles.

17. Force Majeure

Neither party shall be liable for failure to perform obligations when such failure is caused by events beyond their reasonable control, including: acts of God, natural disasters, hurricanes, war, terrorism, pandemic, government orders, utility failures, or cyberattacks. During a force majeure event, affected deadlines shall be extended by the duration of the event plus a reasonable cure period not to exceed ten (10) business days. Written notice must be provided within forty-eight (48) hours of the event.

18. Entire Agreement; Notice; Order of Precedence; No Assignment

Entire Agreement

This ICA, together with all Incorporated Documents, constitutes the entire agreement between the parties and supersedes all prior negotiations, understandings, and agreements.

Modification

This Agreement may not be modified except by a writing signed by both parties.

Notice

All amendments and policy updates are effective immediately upon delivery by any method set forth in the Definitions section. Continued affiliation after notice constitutes acceptance of all updated terms. No amendment to commission rates, splits, transaction fees, or fee schedules shall alter the economic terms of any transaction supported by a fully executed purchase-and-sale agreement or listing agreement dated prior to delivery of such notice. The Associate is solely responsible for monitoring all designated communication channels. Failure to read or access a notice does not affect its validity or the Associate’s obligation to comply.

Order of Precedence

In the event of a conflict regarding compensation: (i) this ICA governs the legal relationship of the parties; (ii) the CSA governs commission calculation, application order, offsets, and disbursement mechanics; and (iii) Exhibit A governs commission plans, splits, fees, pricing, thresholds, and schedules.

No Assignment

Neither party may assign this Agreement without the prior written consent of the other party, except that the Company may assign in connection with a merger, sale of assets, or change of control.

19. Severability; No Waiver

Severability

If any provision is held invalid or unenforceable, it shall be modified to the minimum extent necessary to make it enforceable while preserving the parties' original intent. All other provisions remain in full force.

No Waiver

The failure of either party to enforce any provision shall not constitute a waiver. No waiver shall be effective unless made in writing.

20. Consolidated Acknowledgment; Electronic Signatures

By executing this ICA, the Associate acknowledges and agrees to all Incorporated Documents as they exist on the Effective Date. No separate signatures are required on any Incorporated Document. Future updates become binding upon notice under Section 18.

Electronic signatures shall have the same force and effect as original signatures under Florida's Uniform Electronic Transactions Act (Chapter 668, Florida Statutes).

1–2. Purpose and Hierarchy

Establishes commission processing mechanics. ICA governs relationship, CSA governs calculation/disbursement, Exhibit A governs fees/pricing.

3. Commission Earned vs. Payable

Not earned until: transaction closed, funds cleared, docs approved, compliance met, Broker authorized. Earned ≠ automatically payable.

4. Application Order

Compliance holds → Company fees → Referral obligations → Offsets → Net to Associate.

5. Offsets & Deductions

Company authorized to offset unpaid balances, fees, chargebacks, fines from commissions. Survives termination.

6. Plan Application

Plan at time of contract execution, not closing. Changes apply prospectively only.

7. Referrals

Subject to written agreements, cleared funds, and compliance with laws.

8. Personal Transactions

Qualifying: Associate or spouse on title. Standard transaction fee applies, no commission split. Growth plan exception: standard Growth split applies due to additional broker support.

9. License Status

Must hold active license during negotiation, execution, closing, and disbursement.

10–11. General

No employment relationship. Provisions survive termination. Constitutes entire agreement re: commission structure.

12. Amendments

This Addendum may be amended by the Company effective immediately upon notice to the Associate by any method set forth in the ICA Definitions section. Amendments apply to all transactions not yet under a fully executed purchase-and-sale agreement or listing agreement as of the date of notice.

13. Entire Agreement

This Addendum constitutes the entire agreement regarding commission structure between the parties.

14. Internal Deal Handling

A Company Assisted Transaction is any transaction where the Company reassigns, intervenes in, or provides substantial operational support beyond standard brokerage services. Company Assisted Transactions are subject to a 50/50 split between the Company and the assigned Associate. The original Associate is not entitled to any compensation upon reassignment of a transaction to another Associate or to the Company.

A Referral is distinguished from a Reassignment: a Referral occurs when an Associate voluntarily introduces a client to another Associate and a written referral agreement is in place. A Reassignment occurs when the Broker determines that a transaction must be transferred due to compliance concerns, inactivity, client request, or other operational necessity. Upon Reassignment, the original Associate forfeits all rights to compensation from that transaction.

1.3 Commission Plan Changes

Eligibility. An Associate may request a commission plan change only after completing a minimum of five (5) closed residential sales transactions — excluding rentals and vacant land — with fully compliant files under Broker supervision at Aari Realty LLC. Until this minimum is met, the Associate remains on their onboarding plan regardless of time elapsed or prior experience at another brokerage.

Request Process. The Associate submits a written request to the Broker. The Broker will approve or deny in writing within five (5) business days. Approval is at the Broker's sole discretion based on compliance history, transaction quality, and performance. The Broker may deny a request without cause.

Effective Date. An approved plan change takes effect on the first day of the calendar month following the Broker's written approval.

Transaction Protection. The Associate's current plan applies to all transactions under a fully executed purchase-and-sale agreement or listing agreement dated on or before the Broker's written approval date. Those transactions close under the original plan — no exceptions.

Frequency Limit. An Associate may not submit a new plan change request within sixty (60) days of their most recent plan change effective date.

Downgrade Rule. The same eligibility, process, effective date, and frequency limit apply in both directions. Moving from Max back to Growth requires the same process.

Internal administrative costs shall be calculated at the rate set forth in Exhibit A. In transactions where the Associate receives ninety percent (90%) or more of the gross commission, cost allocation shall be capped at eighty percent (80%) of total costs incurred. SECTION 22. TEAM ADDENDUM

22.1 Team Lead Responsibilities

Team lead is responsible for coordinating team activities, monitoring branding compliance, and assisting the Broker in ensuring team members follow Company policies. The Broker retains all supervisory responsibility under Florida law.

22.2 Team Splits

Intra-team splits must be on file (signed and stored in the team folder) before first shared deal.

22.3 Roster Management

Submit roster changes within 48 hours. Update signage, websites, and marketing materials to reflect roster changes within seven (7) business days of the roster change effective date.

SECTION 23. CDA WORKFLOW ADDENDUM

23.1 CDA Preparation

The CDA is prepared and added to the transaction by the Broker or Compliance Team. Agents do not create, edit, or attach the CDA. A CDA is required when: (a) Associate or related party has any ownership interest in the property; (b) team member representation exists; (c) any family relationship or financial interest exists between transaction parties; or (d) any other conflict of interest as required by FREC rules or Company policy.

23.2 File Completion and Commission Payment

Commission is earned and payable only after complete, compliant file and Broker approval. All required documents uploaded within 48 hours of execution/receipt. Complete file submitted at least 7 days before close for final review. Payout timing: within 3 business days after funds clear and CDA conditions are satisfied.

SECTION 24. BILLING & PRORATION ADDENDUM

24.1 Recurring Fees

All recurring fees applicable to Associates — including the monthly Brokerage Access Fee and the annual E&O + Compliance Fee — are non-refundable. The monthly Brokerage Access Fee is due on the first (1st) day of each month. At onboarding, the first month’s fee is prorated based on the Associate’s start date and due at the time of joining. The annual E&O + Compliance Fee is due on the Associate’s onboarding anniversary date each year. At onboarding, the full annual fee is due at the time of joining. All fee amounts and billing schedules are governed exclusively by Exhibit A — Commission Fee Schedule, as amended from time to time.

24.2 Payment Enforcement

Failed payments may result in: late payment fees; returned payment fees; reactivation fees when returning from Inactive status; suspension of system access; commission withholding; change to Inactive status; or termination of the ICA.

SECTION 25. TERMINATION ADDENDUM

25.1 Immediate Actions.

Access removal within 24 hours. Listing transfers processed upon written seller consent and Company release. Keys/lockboxes and Company property returned within 3 business days.

25.2 File Completion.

Departed Associates must deliver all final documents and complete all outstanding files within ten (10) business days of termination. Files not completed within this timeframe shall be deemed Abandoned Commissions and subject to fees per Exhibit A.

25.3 Financial Settlement.

Pending payouts processed per ICA and CSA order of precedence.

SECTION 26. REFERRALS LLC POLICY

All referral compensation rules, including associate/broker splits and any administrative retention on incoming referrals, are governed solely by the Aari Referrals LLC — Referral Compensation Policy. This Manual intentionally does not restate referral percentages or admin amounts.

SECTION 27. RESERVED

This section is reserved for future use.

SECTION 28. INDEMNIFICATION & DEFENSE ADDENDUM

28.1 Indemnification.

To the fullest extent permitted by law, Associate agrees to indemnify, defend, and hold Broker harmless from and against any and all claims, demands, actions, damages, losses, liabilities, fines, penalties, and costs arising out of or related to: any act, omission, negligence, misrepresentation, or misconduct by Associate in the performance of real estate services; any failure by Associate to comply with federal, state, or local laws, FREC rules, MLS regulations, or Brokerage policies; any unauthorized promises, guarantees, or agreements made by Associate to clients, cooperating brokers, or third parties; or any disputes, penalties, or claims related to incomplete, inaccurate, or untimely documentation. This indemnification does not apply to claims arising solely from the Broker’s independent negligence or willful misconduct.

28.2 Defense, Insurance, and Offsets.

Broker, or its E&O carrier, may assume control of the defense and selection of counsel for any covered matter. Associate must notify Broker in writing within twenty-four (24) hours of any demand, complaint, investigation, or threatened claim and must fully cooperate in the investigation and defense. Broker may deduct or withhold commissions in an amount reasonably calculated to cover potential or actual losses. Upon final resolution, Broker will reconcile and remit any excess amounts within thirty (30) days of final resolution, or within sixty (60) days if litigation is pending at the time of resolution.

28.3 Survival.

The indemnity, defense, and hold-harmless obligations survive termination of Associate's affiliation with Broker.

SECTION 29. POST-DEPARTURE COMPENSATION ADDENDUM

29.1 Procuring Cause.

Under Florida law, all procuring cause rights belong to the brokerage, not the sales associate. Aari retains all procuring cause rights for any buyer or seller introduced to real property through Aari, regardless of whether the Associate remains affiliated with the Company.

29.2 Protection Period.

Any protection period contained in a Buyer Brokerage Agreement, Listing Agreement, or compensation agreement survives the Associate's departure from the brokerage. Aari retains full compensation rights for any contract, offer, or closing involving a buyer or seller introduced through Aari during the protection period.

29.3 Broker Discretion on Post-Departure Compensation.

The Broker retains sole discretion to determine the compensation split for any transaction in which the Associate has departed Aari prior to closing. The Associate's prior commission plan does not survive departure. No departing Associate is guaranteed their previous split. The minimum floor for post-departure compensation, if any, is governed by the Commission Structure Addendum.

29.4 Aari Paid First.

All compensation due to Aari must be paid directly to Aari Realty LLC. Departing Associates receive their portion only after Aari receives funds in full, confirms accurate disbursement, completes audit compliance, and processes internal accounting.

29.5 Prohibition Against Interference.

Departing Associates may not interfere with Aari's compensation status, instruct title companies, or attempt to influence representation. Any attempt to manipulate, alter, backdate, or rewrite documents to bypass Aari's rights is strictly prohibited.

29.6 Survival.

This Addendum remains binding after the Associate's departure. Aari's rights to compensation survive termination of the ICA.

SECTION 30. FORCE MAJEURE

In the event of natural disaster, hurricane, widespread system outage, or other force majeure event affecting Associates' ability to meet deadlines, the Broker may extend deadlines on a case-by-case basis. Associates must: (a) provide initial notice of force majeure circumstances within forty-eight (48) hours of the event or as soon as communication is restored; and (b) submit supporting documentation within five (5) business days of initial notice.

SECTION 31. DISPUTE RESOLUTION & APPEALS

Associates who wish to contest any enforcement decision, fee assessment, or suspension must submit a written appeal to the Broker within ten (10) business days of receiving notice of the decision. The appeal must include: a clear statement of the decision being appealed; the Associate's position and supporting facts; and any documentation supporting the appeal.

The Broker will review and respond in writing within fifteen (15) business days. The Broker's decision on appeal is final and binding. Filing an appeal does not toll, extend, or suspend any other deadlines or obligations under this Manual, the ICA, or applicable law unless the Broker grants a specific written extension.

This acknowledgment must be completed at onboarding. No commission disbursement will be made to the Associate until a valid IRS Form W-9 is received by Aari Realty LLC.

1. W-9 Submission

1.1

The Associate confirms they have completed and submitted to Aari Realty LLC a valid IRS Form W-9 containing their legal name, business name or DBA (if applicable), federal tax classification, Taxpayer Identification Number (TIN) or Social Security Number (SSN), and certification signature.

1.2

The Associate acknowledges that Aari Realty LLC is required by federal law to obtain a completed W-9 prior to issuing any commission payments. Failure to provide a valid W-9 will result in commission withholding until the form is received.

2. Tax Reporting Acknowledgment

The Associate acknowledges and understands that:

- They are engaged as an independent contractor, not an employee of Aari Realty LLC
- Aari Realty LLC will not withhold federal income tax, Social Security tax, or Medicare tax from commission payments
- Aari Realty LLC will issue a Form 1099-NEC for each calendar year in which the Associate receives commission payments totaling $600.00 or more
- The Associate is solely responsible for all federal, state, and local tax obligations, including estimated quarterly tax payments
- The Associate must notify Aari Realty LLC in writing within thirty (30) days of any change to their legal name, TIN, SSN, or tax classification requiring an updated W-9

3. Backup Withholding

The Associate acknowledges that Aari Realty LLC may be required by the IRS to apply backup withholding if: the Associate fails to provide a TIN; the IRS notifies Aari Realty LLC that the TIN provided is incorrect; or the Associate fails to certify that they are not subject to backup withholding. The Associate certifies that the information provided on their W-9 is accurate and complete.

This acknowledgment is required before the Associate may conduct any real estate activity under Aari Realty LLC's brokerage license.

1. License Information

Full Legal Name, Florida License Number, License Type (Sales Associate or Broker Associate), License Status at Onboarding, License Expiration Date, and DBPR Profile Email are collected and verified at onboarding.

2. Associate Acknowledgments

2.1 Active License Required.

The Associate must maintain an active, current, and unrestricted Florida real estate license in good standing with DBPR at all times during their affiliation with Aari Realty LLC.

2.2 Sole Responsibility.

The Associate is solely responsible for monitoring their license expiration date, completing all required continuing education, and renewing their license on time. Monthly DBPR verification by Aari Realty LLC is a supervisory measure only and does not relieve the Associate of this responsibility.

2.3 Immediate Notification Required.

The Associate must notify the Qualifying Broker in writing within twenty-four (24) hours of any change to their license status, including: license expiration or failure to renew; suspension or revocation; voluntary surrender or inactivation; disciplinary action by DBPR or FREC; or any investigation, complaint, or proceeding initiated by DBPR, FREC, MLS, or NAR.

2.4 Consequence of Inactive License.

Any real estate activity conducted under an inactive, suspended, expired, or revoked license constitutes a violation of Florida Statute §475.42 and grounds for immediate termination of the Independent Contractor Agreement, forfeiture of pending commissions, and reporting to DBPR.

2.5 Continuing Education.

The Associate is solely responsible for completing all continuing education requirements mandated by DBPR and must provide the Broker with proof of completion at least ten (10) business days before the DBPR renewal deadline.

3. Broker Verification

Aari Realty LLC confirms that the Associate's license was verified as active and in good standing through the DBPR online verification system as of the date of this acknowledgment. Aari Realty LLC will conduct ongoing monthly license verification for all affiliated Associates.

This acknowledgment must be signed at onboarding before the Associate may access or use any MLS system under Aari Realty LLC's membership. Aari Realty LLC maintains membership in multiple MLS boards. The Associate's obligations under this Acknowledgment apply equally to all boards through which they conduct business.

1. MLS Membership Information

Associate Full Legal Name, Primary MLS Board, MLS Member ID (Primary Board), Additional MLS Boards (if any), and Florida License Number are collected and verified at onboarding.

2. Associate Acknowledgments

2.1 Receipt of MLS Rules.

The Associate has received, reviewed, and agrees to comply with the current rules and regulations of all MLS boards through which they conduct business under Aari Realty LLC's membership, as amended from time to time. Current rules are available through each respective MLS board's member portal.

2.2 Multiple Board Compliance.

Where the Associate participates in more than one MLS board, they are responsible for knowing and complying with the specific rules of each board. Rules vary by board. The more restrictive rule applies in all cases of conflict unless the Broker directs otherwise in writing.

2.3 Clear Cooperation Compliance.

The Associate must enter all listings into the applicable MLS within twenty-four (24) hours of obtaining seller signature on the listing agreement and prior to any public marketing, in compliance with NAR's Clear Cooperation Policy and applicable MLS rules for each board.

2.4 NAR Settlement Compliance.

The Associate must comply with all MLS rule changes implemented in connection with the NAR settlement effective August 17, 2024, including the prohibition on offering buyer broker compensation in any MLS field, across all boards in which they participate.

2.5 MLS Fines.

Any fine, penalty, or sanction imposed by any MLS board as a result of the Associate's violation of MLS rules is the Associate's sole financial responsibility. Aari Realty LLC reserves the right to offset any MLS fines paid by the brokerage on the Associate's behalf against future commission disbursements.

2.6 Broker Notification.

The Associate must notify the Qualifying Broker within twenty-four (24) hours of receiving any MLS inquiry, fine notice, complaint, or disciplinary communication from any MLS board.

2.7 Rule Updates.

The Associate is responsible for monitoring communications from all MLS boards in which they participate and remaining current on all rule changes. Lack of awareness of a rule change is not a defense to a violation.

3. Broker Rights

Aari Realty LLC reserves the right to review all MLS activity by affiliated Associates across all boards and to conduct periodic compliance audits. MLS rule violations constitute a Compliance Issue or Material Breach under the Independent Contractor Agreement, depending on severity and frequency, and may result in suspension or termination of affiliation.

This acknowledgment is required in connection with the NAR settlement effective August 17, 2024, and must be signed at onboarding before the Associate may represent any buyer client.

1. Background

Effective August 17, 2024, the National Association of Realtors (NAR) implemented practice changes requiring that all buyer's agents enter into a written Buyer Brokerage Agreement with buyer clients before touring any property. These requirements are incorporated into FGCMLS rules and are subject to oversight by FREC as part of the Qualifying Broker's supervisory obligations under Florida Statute §475.278.

2. Mandatory Requirements

2.1 Written Agreement Before Touring.

The Associate must obtain a signed, written Buyer Brokerage Agreement with every buyer client before conducting any property showing, tour, or property preview on the buyer's behalf, whether in person, virtually, or by any other means.

2.2 Approved Forms Only.

The Associate must use only Company-approved Buyer Brokerage Agreement forms or Florida Realtors/Florida Bar approved forms. The Associate may not draft, create, or modify buyer representation agreements without prior written Broker approval.

2.3 Compensation Terms.

All buyer broker compensation terms must be clearly disclosed in the Buyer Brokerage Agreement. The Associate may not make any verbal representations about compensation that differ from the written agreement.

2.4 No MLS Compensation Offers.

The Associate must not communicate or offer buyer broker compensation through any MLS field, in compliance with NAR settlement requirements and current FGCMLS rules.

2.5 Broker Submission.

A copy of every executed Buyer Brokerage Agreement must be submitted to the compliance platform within forty-eight (48) hours of execution.

2.6 Client Disclosure.

When presenting the Buyer Brokerage Agreement to clients, the Associate must clearly explain: (a) what services are being provided; (b) the compensation structure; (c) the duration of the agreement; and (d) that compensation amounts are negotiable and not set by law.

2.7 No Waiver or Circumvention.

The Associate may not show property to any buyer without a signed agreement, regardless of the buyer's objection, reluctance, or claim that another agent has already shown the property.

3. Consequences of Non-Compliance

Failure to obtain a signed Buyer Brokerage Agreement before showing property constitutes a Compliance Issue under the Independent Contractor Agreement and may result in: written warning and mandatory compliance review; commission withholding on the affected transaction; suspension of transaction privileges; termination of affiliation for repeated violations; and reporting to FREC if the violation constitutes a breach of supervisory obligations.

This standalone acknowledgment supplements the wire safety provisions in the Independent Contractor Agreement and creates an independent record of the Associate's awareness of wire fraud risks and protocols. It must be signed at onboarding.

1. Wire Fraud: Absolute Prohibition

1.1 No Transmission of Wire Instructions.

The Associate is strictly prohibited from transmitting, forwarding, drafting, creating, or relaying wire transfer instructions, banking information, or funds transfer details to any party — including clients, buyers, sellers, lenders, or title companies — by any means, including email, text message, social media, or any electronic communication platform.

1.2 Verbal Verification Required.

All wire instructions must be verified directly by the client with the receiving title company or escrow agent by telephone, using a phone number independently obtained from a trusted source — not a phone number provided in any email or electronic communication.

1.3 No Screenshots or Attachments.

The Associate must never forward, photograph, screenshot, or otherwise transmit images, PDFs, or documents containing wire instructions or banking information.

1.4 Client Warning Obligation.

The Associate must proactively warn every buyer and seller client in writing about the risk of wire fraud at or before contract execution. This warning must be documented in the transaction file.

2. Cybersecurity Obligations

The Associate must use secure, password-protected email accounts for all real estate communications. Shared or unsecured email accounts may not be used for client communications involving financial information.

2.2 Suspicious Activity Reporting.

The Associate must report any suspected phishing attempt, email compromise, unauthorized account access, or attempted wire fraud to the Qualifying Broker immediately and no later than four (4) hours of discovery.

2.3 Device Security.

The Associate must not access client files, MLS systems, or transaction platforms on unsecured public Wi-Fi networks without a VPN or equivalent security measure.

3. Incident Response Protocol

If the Associate suspects that a wire fraud attempt has occurred, is in progress, or has been completed, the Associate must immediately:

- Notify the Qualifying Broker within four (4) hours
- Contact the title company or escrow agent immediately
- Preserve all communications — do not delete any emails or messages
- Do not communicate with the suspected fraudulent party
- File a report with the FBI's Internet Crime Complaint Center (IC3) at ic3.gov
- Contact local law enforcement if funds have been transferred
- Make no admission of fault, apology, or statement of liability without prior written authorization from the Qualifying Broker

4. Consequences of Violation

Violation of any provision of this Acknowledgment constitutes an immediate termination event under Section 12 of the Independent Contractor Agreement. The Associate may be held personally liable for all losses, damages, investigation costs, remediation expenses, legal fees, and regulatory fines arising from their violation of these protocols, as set forth in the Indemnification & Defense Addendum.
